Dan Classes Reloaded

By now every Dan member is probably aware that the Federation has been defending the unique Moo Duk Kwan® identity in federal court at considerable cost and your continued generous financial support is needed to bring the case to closure.

Thursday July 30th 8:00 to 10:00 PM is a Dan class you don't want to miss. Sa Bom Nim Larry Seiberlich 9th Dan will be introducing Tae Guk Kwon Hung during one of three special fundraiser sessions offered during the Festival.

On Friday Sa Bom Nim Craig Hays is convening an elite panel of successful studio owners to share some of their secrets of success with you in a valuable educational session for current or future studio owners who want full classes.

Also on Friday TAC members have offered to teach semi-private lessons for up to 4 students per TAC Member and cover whatever content donor students want to focus on.

These sessions will provide you with experiences you'll recall for a lifetime and in addition to great seminar content, the Board of Directors has approved special recognition for the most generous donors as indicated on the registration form. We invite you to help preserve Hwang Kee's Legacy with your generous donations and be recorded in history.

You Don't Want To Miss This!

Three special sessions are being offered at the 2015 National Festival as fundraisers with all proceeds dedicated to offsetting legal costs incurred in our defense of the Moo Duk Kwan identity. Spaces are limited for these special sessions, so reserve your spot by registering soon. Download registration forms here: <http://festival.soobahkdo.org/event-registration-2015/>

Space is limited, but the value of the experience is UNLIMITED!

TAE GUK KWON HYUNG - (Session 1)

Sa Bom Nim Larry Seiberlich, Dan Bon 1815 9th Dan will be introducing Tae Guk Kwon Hyung in a special **session for all Dan ranks**. Check out the sample video on the Soo Bahk Do institute.

This Hyung, known as Tai Chi Ch'uan in Chinese, is said to be over 1000 years old. It is often performed as a health and longevity enhancing exercise featuring stretching, balance and the integration of breathing and chi gung as a movement system for neh gung. It is also practiced as a very effective and sophisticated martial art. It is guided by the Sip Sam Seh.

The Founder trained in this martial arts discipline in Manchuria with Master Yang. The Yang style of Tae Guk Kwon is the most well-known and popular although there are hundreds of variations depending on the teacher and their lineage. The Yang style includes both the long form of 150 ja seh and the short form with 50 or more ja seh. Each ja seh contains from one to five martial arts techniques for defense against a number of opponents.

The Founder established the short form of this Hyung as the most senior (Chil Dan) hyung requirement in Tang Soo Do although it was seldom taught. It was replaced by Hwa Sun Hyung in Soo Bahk Do. It is part of our Moo Duk Kwan history and is appropriate for both older students who are somewhat limited in their movement and for younger members who are interested in improving their movement, balance, energy application, and are interested in learning the many self-defense applications.

We will present small portions of the long form Hyung to familiarize the participants with the nature of the Hyung, the movements at both slow and full speed, and a few of the applications with partners. Tae Guk Kwon can be taught both as an exercise and a martial arts discipline.

Seiberlich Sa Bom has trained in Tae Guk Kwon since 1965 and it has been the centerpiece of his Well Being Program

Thursday 8:00 -10:00 PM

SECRETS OF STUDIO SUCCESS

Craig Hays, Sa Bom Nim, TAC Member and Appointed Board Director is convening a select panel of successful studio owners who will share some secrets of their success during this intimate business training session that could change your school forever.

Do you know which is more important; 1) attracting new students or 2) student retention? Do you know why?

Your donation is an investment in the growth of your studio AND the preservation of the Moo Duk Kwan identity.

Friday 9:00 – 10:15

SEMI-PRIVATE LESSONS WITH A TAC MEMBER

TAC Members have generously agreed to work with up to 4 students each in private training sessions focused on whatever content the student donors want to cover.

What a great opportunity to share some high quality training time on your subject of choice with one of the premier martial artists in the world while knowing that your donation is helping preserve the Moo Duk Kwan® identity.

With only 4 students per TAC member these spots will go fast. Secure yours by registering right away.

Friday 10:30 – 11:45

Best of all, **with only one donation you may be able to be in them all** (space permitting) **That's like the perfect trifecta!** PLUS the Board of Directors has approved special recognition for donors meeting specific giving thresholds. <http://legacy.soobahkdo.org/>

Moo Duk Kwan®

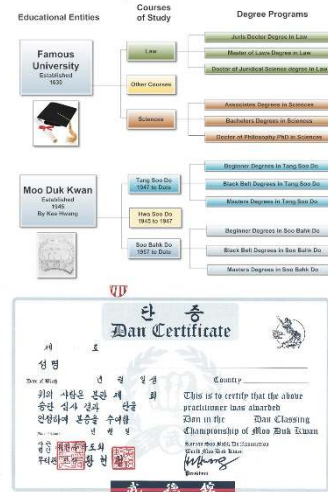

Preservationist

Moo Duk Kwan® Members, Alumni and Supporters who care about the authenticity and legitimacy of your 70 year lineage are invited to help preserve it.

For a limited time supporters who commit to a significant donation of **\$3000** (may even be paid in installment payments online) qualify to be listed in Founder Hwang Kee's autobiography as a **Moo Duk Kwan® Preservationist when it is published.**

Lifetime Members of the [United States Soo Bahk Do Moo Duk Kwan Federation®](#) can donate the difference between what you paid for your Lifetime Membership and the \$3000 threshold and be listed as a Moo Duk Kwan® Preservationist in Moo Duk Kwan® Founder Hwang Kee's autobiography.

There Is Only One Moo Duk Kwan®

Moo Duk Kwan®

Benefactor

A special [70th Anniversary Program](#) is also being published to commemorate this event and Moo Duk Kwan® Benefactors will be listed in this publication as those who express their support with a **\$500** donation and become part of this important Moo Duk Kwan® historical document.

USA members and International World Moo Duk Kwan affiliates are invited to secure a spot for each country in the publication as a show of unity and support for the preservation of the Moo Duk Kwan® identity. Donations can be submitted online or mailed to Headquarters.

Moo Duk Kwan®

Sponsor

The [2015 National Festival program](#) will include special recognition of those who donate **\$135 to \$499** prior to **publication submission deadline of July 24th**. You can view some of the previous year's National Festival programs on the wiki.

You can make your contribution online using the donate button on the website: <http://legacy.soobahkdo.org/help-preserve-moo-duk-kwan-legacy/>

You can also remit your donation on the 2015 Festival Registration form.

Moo Duk Kwan® Supporters who have already contributed to any fundraiser since 2012 that was part of the Federation's Kick-a-thons or **"There Is Only One Moo Duk Kwan"** campaign also have the same opportunity as Lifetime Members to donate the difference between your previous contribution amount and the amount needed to reach any of the three giving thresholds listed above. You will receive credit for your previous donations toward the total of your donations. Forgot how much you gave way back when? We can help because we know, so just ask us.

Thank you for your generosity!
