Dan Seminars Remixed

By now every Dan member should know that the Federation successfully defended our unique Moo Duk Kwan® identity in federal court. The victory assures Federation members the exclusive right to be identified with the MOO DUK KWAN name and fist logo in the USA. The cost was considerable and your continued generous financial support is needed.

Thursday June 30th 8:00 to 9:30 PM is a Dan class you don't want to miss. The TAC has arranged another exciting and educational seminar by **senior Hu Kyun In** instructors covering advanced material like the one presented in 2015 by Sa Bom Nim Larry Seiberlich 9th Dan.

Friday morning at 6:30 AM Sa Bom Nim Craig Hays is convening an elite panel of successful studio owners to share some of their secrets of success in a valuable educational session for current or future studio owners.

These and other sessions will provide you with experiences you'll recall for a lifetime and in addition to great seminar content, the Board of Directors has approved special recognition for the most generous donors as indicated on the registration form. We invite you to help preserve Hwang Kee's Legacy with your generous donations **and be permanently recorded in the history of our art.**
