TECHNIQUE

The United States Soo Bahk Do Moo Duk Kwan Federation® is a 501c(4) non-profit membership organization and we have been hosting our Nationals since 1978.

We are requesting you to help sponsor the Regional team member presenting this request to you so that they can represent their Region among hundreds of attendees at the 2017 National Festival in Montgomery, Texas August 10-12.

Earning a place on a Regional Team is a significant accomplishment; however, once selected for a Regional Team then each Team Member faces the daunting financial obligation of covering the expenses required for them to attend the National Festival. Regional team members also face a significant time burden as they may need to miss school or work to arrive in time for their performance.

You can help make it possible for your Regional Team members to represent your region through your sponsorship today! We are asking you to help this Regional Team Member offset the costs incurred as a Regional Team member by sponsoring them in whatever amount you can.

Thank you for your support!

Sponsors will be listed on our website in recognition of your support
