Hyung Competition Overview

- Competitors will demonstrate one Hyung that meets their rank division requirements.
- Average Scores for each Rank
 - Gup Members: 7.7
 - Dan Members: 8.5
 - Ko Dan Ja Members: 9.3
- Scores from each of the five judges are recorded. The high and low score are removed from the average to calculate the final score for each competitor.
- If the competitor has to restart their Hyung, a ½ point will be deducted from the total score.
- In the case of a tie, the high and low scores are then added back in to settle the tie. If there is still a tie, the competitors will demonstrate another Hyung (should be different from the first Hyung they performed). The judges will then vote for one competitor or the other by a show of hands.

- o Each match is two minutes.
- o Target Areas: Front portion of the body (above the belt and the face, from the top of the forehead down and from the ears forward (back of the head and top of the head are illegal target areas). Scoring on the line of any boundary area is considered a fair score.

 - All basic hand and foot techniques to the allowable target areas are 1 point.
 - Any spinning or jumping kick (trailing leg above opponent's knee) is worth 2 points.
 - A sidestep or a defensive Kyo Cha Rip Jaseh (cross-legged stance) with a counter attack is 2 points.

- o When the center judge stops the match once a call is communicated, each judge casts a vote.
- o There must be a majority of votes with a minimum of two to award a point.
 - A Red or White Flag will signify one point for that contestant.
 - A "No See" (crossed flags in front of the corner judge's eyes) is excluded from the vote.
 - A "No Point" (crossed flags towards the ground) takes away one Red and one White Flag.
 - A contact warning must be confirmed by two votes.
 - Two contact warnings, causing bleeding or excessive contact requires disqualification.
 - **Note:** If there is a tie at the end of the two-minute match, the competitor that scores the next point will be declared the winner of the match (sudden win rule).

 - Either the offensive or defensive technique in any given exchanged needs to be taken from one of the two Hyung that have been combined. - No breaking techniques allowed.
- No acrobatic movements allowed. Tumbling is allowable if justified in a sparring sequence per the requirements listed above.
- The time limit for Team Hyung is 3 minutes.

- In the case of only one team registering in a division, the team shall give their performance and be scored normally, then publicly acknowledged as the winner of their division by default and awarded the respective award.

➤ Scoring

- The Technical Advisory Committee system for scoring Regional Team Hyung consists of 5 judges seated in a straight line facing the team and awarding scores for the Team's performance in:
 - Technical
 - Artistic
- Forms will be judged according to normal Hyung criteria, group synchronization and creative application.
- The high score and low score are disregarded and the remaining three scores are averaged to arrive at the Hyung Team's score. The high and low score will be used in the event of a tie.
