Regional Team Hyung Competition

Each Region has the opportunity to select multiple teams per division [Effective 2017] to represent them and compete at the National level during the [United States Annual National Moo Do Festival](#) each year.

● **Team Selection**

- Each Region selects one or more teams (per each division / age category) to represent their Region at the National Festival.
 - The Regional Examiners will review the Team Hyung to ensure the criteria is met.
- Each team needs to submit a Video via the Soo Bahk Do Institute for official TAC Review no later than 1 month prior to the National Festival.
 - The TAC will review each Region's Team Hyung to validate that the criteria is met.
 - If the Team Hyung does not meet the expected standard/criteria, the Team will need to make adjustments to the Hyung in order to meet the published criteria or the Team will be disqualified.

● **Team Composition**

- All team members must be Dan Members (3 or 4-person team allowed).
- **Youth Team** shall be defined as members that are 17 and younger.
- **Adult Team** shall be defined as members that are 18 and older.
- **Senior Team** shall be defined as members that are 50 and older.
- *NOTE: A Team with 2 adults and 1 youth would be in the Adult Division. A Team with 1 Adult and 2 Youths would be in the Youth Division.*
- Maximum of two forms can be combined (*example: Passai and Chil Sung Sam Ro Hyung*).
 - Rank appropriate Hyung should be chosen based on the rank of the junior member of the Team.
- Maximum of two sparring sequences per Team Form.

- Each sparring sequence will be limited to five techniques per person.
- Either the offensive or defensive technique in any given exchange needs to be taken from one of the two Hyung that have been combined. In other words, if a technique is performed in the sparring sequence that is not from either Hyung, an offensive or defensive technique needs to be performed at the same time to justify the “other” technique’s existence in the sparring sequence.
- No breaking techniques allowed.
- No acrobatic movements allowed. Tumbling is allowable if justified in a sparring sequence per the requirements listed above.
- The time limit for Team Hyung is 3 minutes.
- Any team not meeting the above criteria at the National Competition will be disqualified.
- **Scoring**
 - The Technical Advisory Committee system for scoring Regional Team Hyung consists of 5 judges seated in a straight line facing the team and awarding scores for the Team's performance in the following two areas:
 - Technical Score
 - Artistic Score
 - Forms will be judged according to normal Hyung criteria, group synchronization and creative application.
 - The average of all scores are calculated with the high and low score being disregarded and the remaining three scores averaged to arrive at the Hyung Team's score. The high and low score will be added back in to the average in the event of a tie.
 - *Note:* The TAC or their representatives will meet with the Team Captains prior to the competition and hold a drawing to determine the order of performance.
